

I CAN HELP STOP PET OVERPOPULATION IN OUR COUNTY

You can earn a free spay or neuter for YOUR pet or the PET OF SOMEONE YOU CHOOSE by sharing your story!

If the student would like to have one of their pets spayed or neutered (fixed) they should write a story about THEIR pet OR, if the student doesn't have any pets or their pets are already fixed, they may earn a free spay or neuter for the pet of someone they choose by writing a story about the importance of spaying/neutering in solving the pet overpopulation problem.

The student must have a Parent/Guardian signature on the completed Spouter Story Contest Consent Form (located on the back of this page) to win this contest. The story must be a minimum of 30 words. Good Luck! Please write your story below - use additional paper if needed. Be sure to hand it in by Lesson 5 of your Pet Responsibility Class.

There are so many animals ending up in shelters because people do not want them or can not take care of them. And, sometimes they never find a home and are put to sleep. I have a little tuxedo kitty that is 7 months old that I want to be a part of my family forever. Sometimes when we open the door he tries to run out, and I'm afraid he won't come back. My mom says it is expensive to fix cats, so I'm asking for help to neuter my fur baby. It would really mean a lot to me.

Thank you for this chance.

Love,

Gabby King

Contest Rules: The Consent and Story Forms need to be completed and returned to the school no later than Lesson 5 of the Pet Responsibility Education Program. There will be at least one winner per School. The surgery will be performed by a Spay Neuter Veterinary Clinic thanks to the generosity of the REASON Program.
